

Accessibility Statement

Rock School Bus CIC - Accessibility Statement

Last updated: 01 Dec 2025

1. Our Commitment

We aim to make our website accessible in line with WCAG 2.1 AA standards.

This website is run by Rock School Bus. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts using browser or device settings
- zoom in up to 400% without the text spilling off the screen
- navigate most of the website using a keyboard or speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

2. How Accessible the Website Is

Our site uses bespoke HTML, CSS, and JavaScript, designed with semantic structure, correct labelling, keyboard accessibility, and contrast considerations.

We strive to adhere to the accepted guidelines and standards for accessibility and usability. However, it is not always possible to do so in all areas of the website. We are continually seeking solutions to improve the overall accessibility of our website.

3. What We Are Doing to Improve

- Reviewing code structure
- Improving alt text
- Enhancing keyboard navigation

4. Reporting Accessibility Issues

We want as many people as possible to enjoy a user-friendly experience on our website. [AbilityNet](#) contains advice on making your device easier to use if you have a disability.

To report any issues please contact: Email: info@rockschoolbus.org.uk
